Summer 4-H programs and activities

By Heather Jennings, Rankin County 4-H Agent

Along with the rest of the world, Rankin County 4-H has had to adjust to the new normal and is offering many more "virtual" and social distancing activities. In place of our regular summer workshops, we have created "Grab N Go" bags that have an activity with all instructions and materials in the bag for youth to do at home. These activities are geared for ages 5-12 years old, but anyone can do them. Every Monday morning, a new Grab N Go activity bag is available in the lobby of our Extension Building located at 601 Marquette Road in Brandon. Our lobby is open Monday through Friday, 8 a.m. to 5 p.m. These Grab N Go bags are offered to any youth in our community, not just 4-H members. Stop by and pick yours up today.

Special to Pelahatchie News

Additionally, Rankin 4-H is hosting our first "Garden and Canning Contest" mid-July. This is a great way for youth to show off what they have been growing and processing in their gardens. Our LEGO Camp in a Box Workshop is a great way for youth to sharpen their STEM skills, while our Virtual Pet Show and Photography Exhibits showcase how talented and creative our youth are. These activities are open to our 4-H members, but if you are not a member, you can still join and participate. 4-H is open to youth, 5-18 years old, and is free to join, without obligations. How do you join? Contact

Heather Jennings, Rankin County 4-H Agent – Mississippi State University Extension at 601-824-2451 or heather.jennings@msstate.edu to get enrolled today. To check out what our 4-H youth have been doing, follow us on Facebook at Rankin County 4-H.

Scenes from Self-Quarantine

I keep wearing the same two pairs of pants. 	The candy I bought yesterday is almost gone! We need to demonstrate more self-control, people! 	I miss sports. 
When is toilet paper coming back? 	I rearranged my entire room, then put it back the way it was. 	What day is it? 
When I woke up, I thought this was all a dream. But it's not. 	On a lighter note, did you see that funny dog video? No, send it to me! 	Happy birthday to you...
