

Pelahatchie City Hall elevator is repaired

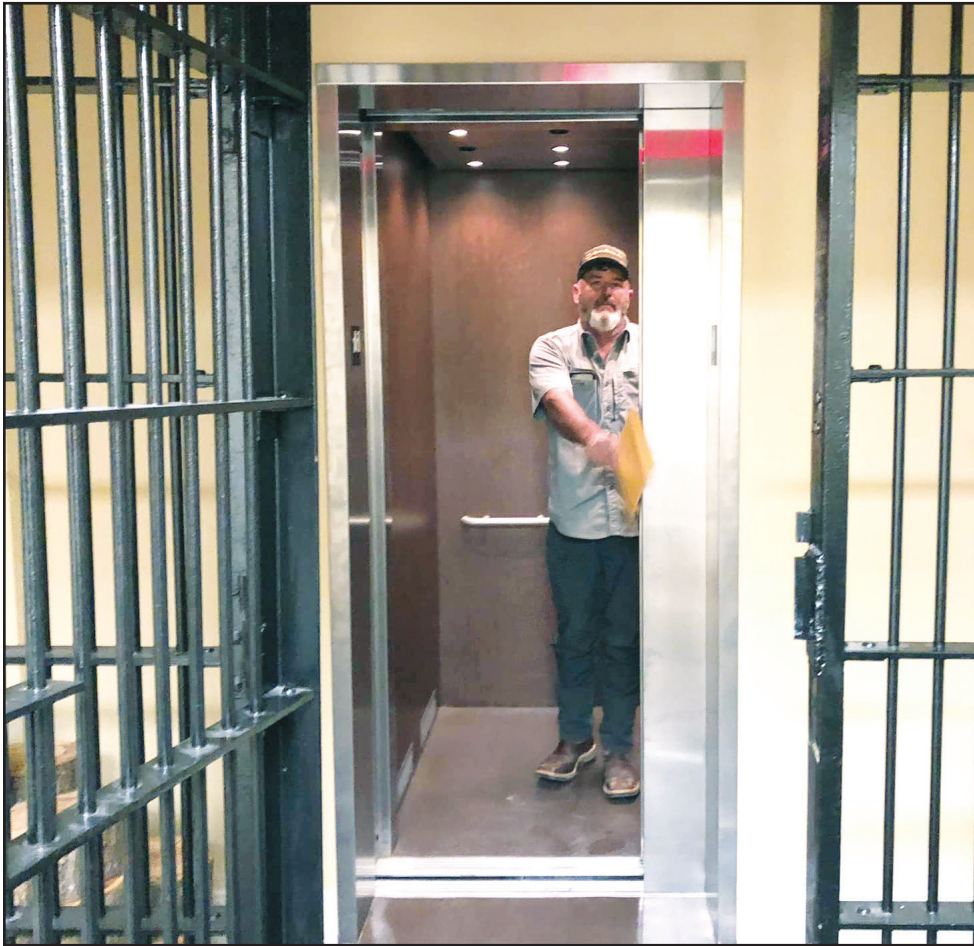

Photo by Pelahatchie News

Maintenance Director Michael Huff demonstrated that the elevator at Pelahatchie City Hall is working again at the Mayor and Board of Aldermen Town of Pelahatchie Regular Board Meeting on Monday, October 3, 2022.

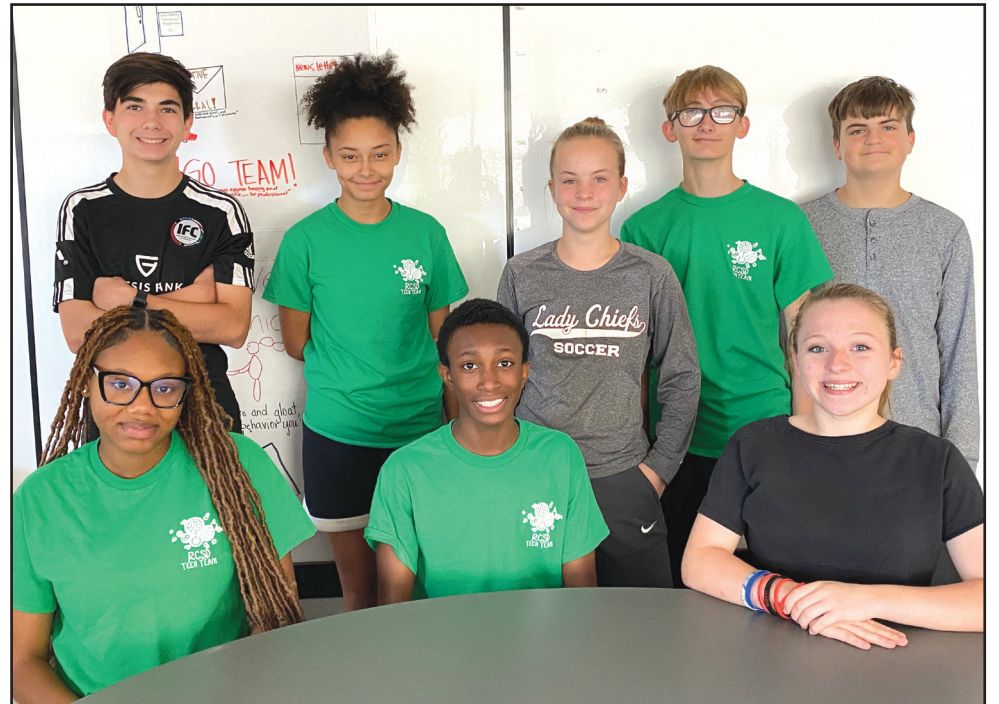

22-23 student tech team at PHS

Special to Pelahatchie News

Staff from Brandon conducted a training session at Pelahatchie High School to teach the new Tech Team members how to troubleshoot computer issues as they arise and how to

submit work orders if they cannot correct the issue.

Ella Tucker is a returning Tech Team member, which means all other members of the team are new. Some of the students have began the process of becoming Apple certified.
